Front Installation

Apply the single-sided tape to the Post Bridge as a gap filler if the body wobbles after installation.

Shock Tower at Front Position

Extra Mounting Position

Side View

Shock Tower at Back Position

Side View

Install the front shock tower at the back position to allow the Front Body tower to be installed at the front position.

Rear Installation

Extra Mounting Position

Side View

You may choose to install the Rear Body Post Mounts between the chassis rails and place the Rear Bridge on top to get the lowest mount point. There are three positions available as indicated by the red dots.

Side View

Rear Body Post Mounts installed on the outer side of the rails.

BRX01 Universal Body Mount Set (#BRLC7070)

Rear Quick Release Body Mount (#BRLC7071) - Not Included

Apply the single-sided tape to the Post Bridge as a gap filler if the body wobbles after installation.

To use the rear hinge system with the Universal Body Mount Set, use this optional Rear Quick Release Body Mount (#BRLC7071).

Side View

The Rear Body Post Mounts can be installed on different positions on both sides of the optional Rear Quick Release Body Mount.

BRX01 Universal Body Mount Set #BRLC7070

We love building scale models. Let's be honest. Which badass doesn't love a beautiful looking car? Our focus is on designing the best looking products that really perform; products that withstand beating and still look great enough to be shelf queens. Offering you the latest designs made with the highest possible quality at affordable prices is our absolute focus for all enthusiastic hobbyists.

Since 2012, Boom Racing has been manufacturing extreme performance RC products. We want you to love and enjoy these amazing "scale" and "performance" based products to create your own unique realistic RC builds.

We are never going to stop at giving you the best updates and upgrades on our product lines. That's our passion and our commitment to keep you on your toes with excitement and anticipation for what's to come next.

ENJOY BEING A BADASS
